JUBILATE SINGERS CELEBRATE 10 YEARS

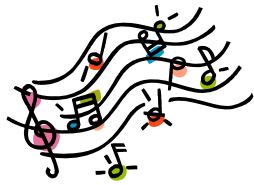

CTDD's own choir celebrates its 10th anniversary this year!

This year the Singers are planning to perform Faure's "Requiem" in Holy Week 2008, along with some other selected music.

Friday practices will start on 11th January 2008 at St Andrew's Church, Pentland Rd 7.30pm – 9.00pm.

As usual we are putting out a plea for new people to join the Singers, who have fun and enjoy singing for a short period of time once a year, limiting the time commitment for busy people.

We look forward to seeing you all (and new members) in the new year.

Phone parish office if you want more details.

Stephen and I have delivered the CTDD News and Views magazine since 1985.

We are passing on the baton so need volunteers to take over from January.

The route is Bents Crescent, Langdale Drive, Bents Lane + 4 church members = 19—everyone pays annually.

It is 11 months of the year -July/August are together.

Please let either Chris or me know. Hazel.
